A TRANSFORMATIVE PROJECT FOR CHILDREN
AND ADOLESCENTS IN VULNERABLE REGIONS

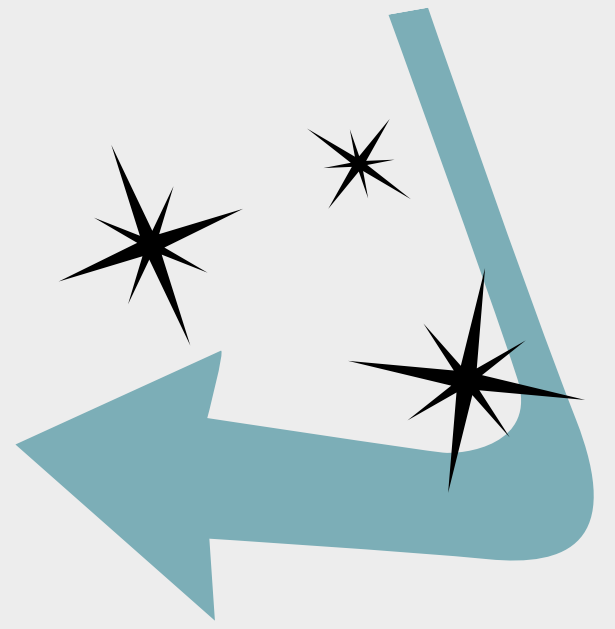

CNPJ 43.994.802/0001-77

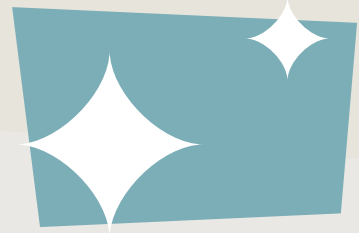

Project Overview

THE “QUEBRADA VIVA” PROJECT – LIVELY COMMUNITY OF SOCIAL INTEREST – USES CHESS TO SOCIAL INCLUSION AND DEVELOPMENT OF CHILDREN AND ADOLESCENTS FROM JARDIM ZARA NEIGHBORHOOD, IN THE RIBEIRÃO PRETO METROPOLITAN AREA (BRAZIL), USING PUBLIC SPACE FOR THEIR ACTIVITIES.

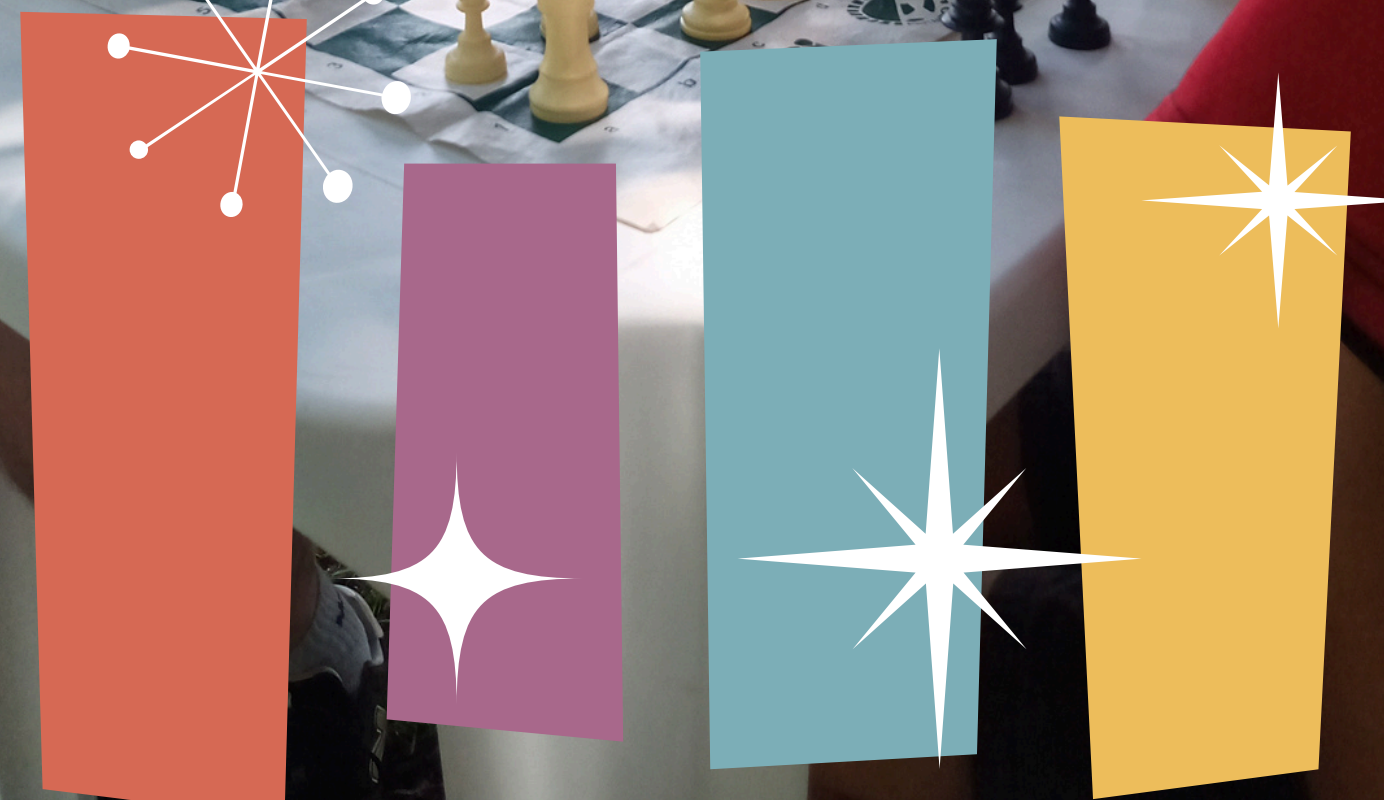

Project goals

- Create a safe and positive environment
 - Promote cognitive and social skills through chess
 - Improve academic performance and life prospects of participants
- 

Pilot Project

WHAT WE ACHIEVED AND WHAT WE CAN IMPROVE FOR THE NEXT YEAR

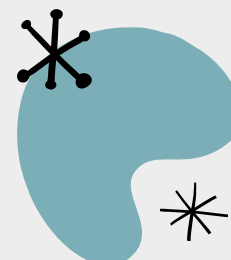

What worked well

OUR ACHIEVEMENTS IN THE PILOT PROJECT

We built a team

We got volunteers
for new social
projects

We had acceptance
from the
community

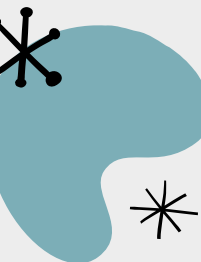

What didn't work so well

THINGS THAT DID NOT HELP

borrowed tables
and chairs
(logistics)

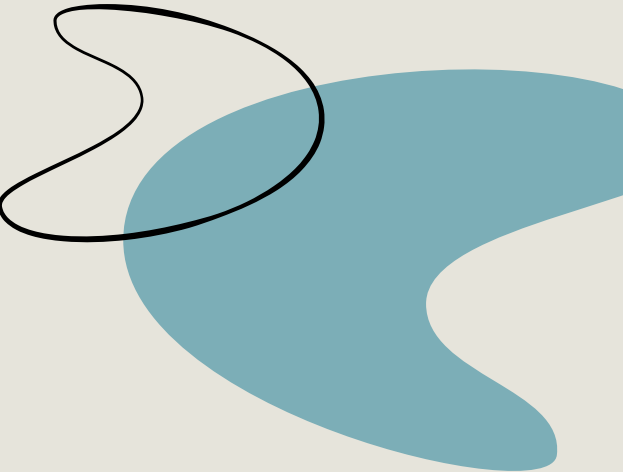

lack of water and
snacks for participants

little financial resources

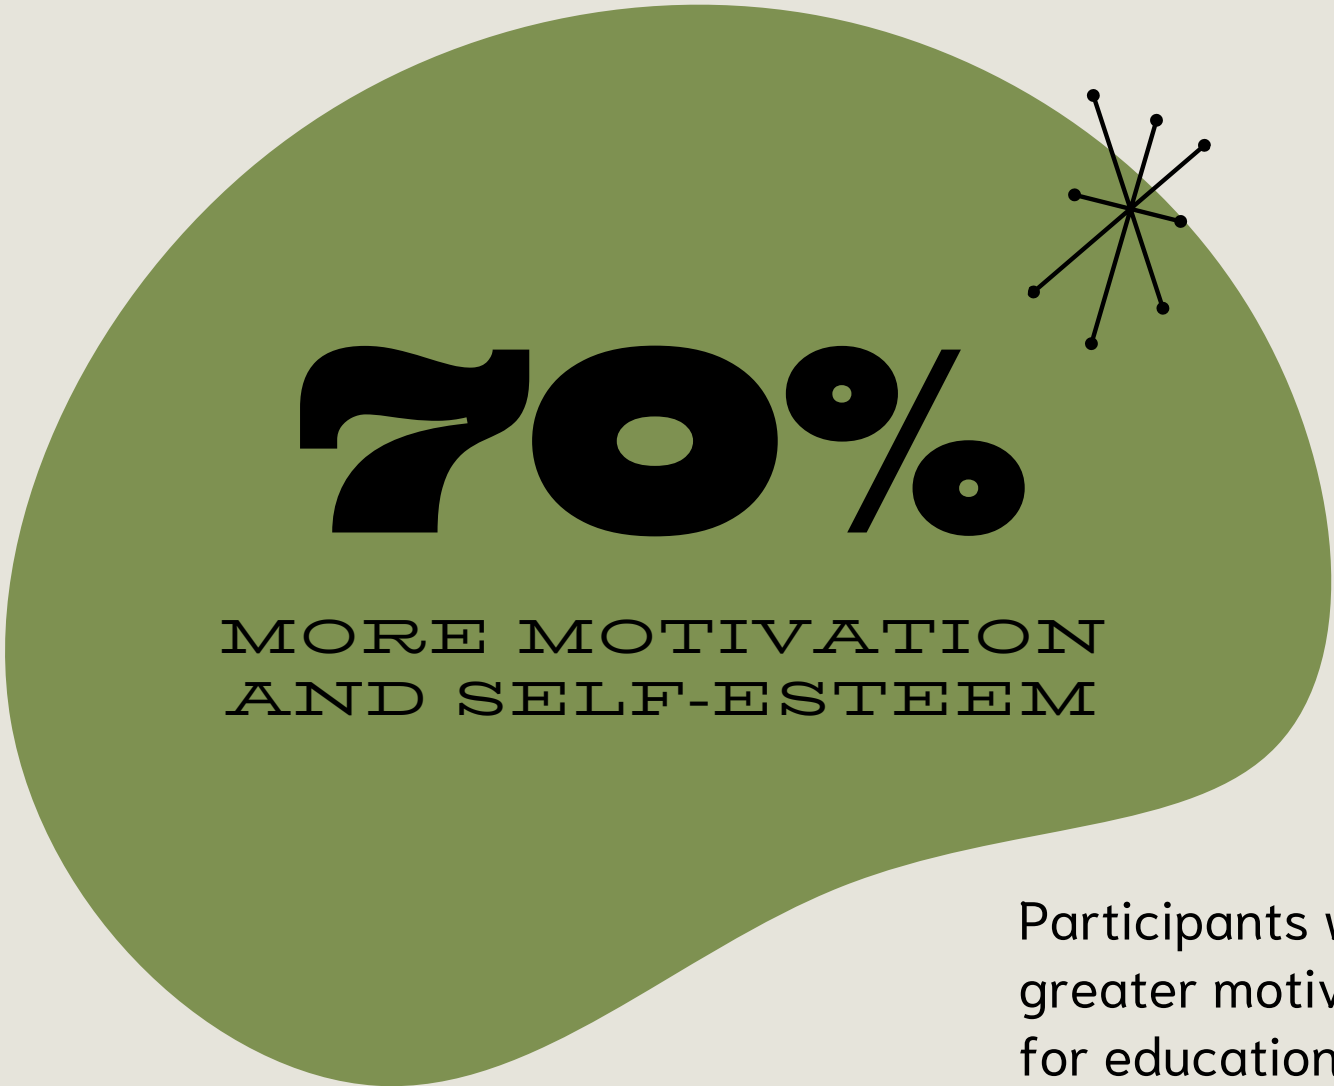

Unexpected Results

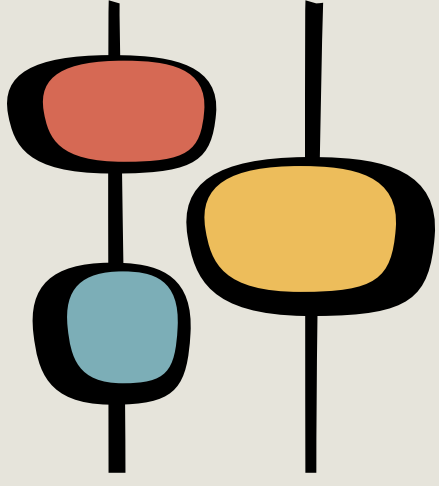

FOR 2025

Benefit 100 children and adolescents aged 7 to 17 from low-income and highly socially vulnerable.

Participants with greater motivation for educational activities and reported increase in self-esteem.
