## **PROPOSAL ON THE WCC REGULATIONS**

The Continental Board meeting held at Bogota, Colombia, July 25/26<sup>th</sup> 2004, being present the delegates of Argentina, Barbados, Ecuador, Colombia, Cuba, Uruguay, Paraguay, Brazil, Venezuela and Panama, unanimsouly approved to submitt the following proposal concerning the regulaions of the World Chess Championship:

1.-To reduce the number of FIDE President´s nominees from 9 to five and to allocate the mentioned four places to the qualifying figure the Continents already have: Africa one, America one, Asia one and Europe one.

This modification will permit each Continent to have an extra qualifying place in their Continental Championship.

2.-To modify the actual article of the WCC Regulations concening the substitution of Continent´s qualifiers, in a sense that if a substitution of a Zonal Tournament qualifier have to be done, the substitute have to come from the respective Zonal Tournament final standing and not from the Continental Championship standing as now is approved.

This modification will enforce the decision approved at Cannes Presidential Board meeting regarding the Continents right to decide on keeping their Zonal qualifying structure, combining it with Continental Championships, which America supports.

Thank you so much.

Mexico City, August the 1<sup>st</sup>, 2004.

**Jorge Vega**  
**Continetal President for America**
