Proposal of Mr. I. Gelfer regarding the participation of Affiliated Organisations in the Chess Olympiads.

As we know, for years already there have been blind teams (IBCA) participating in Chess Olympiads. Moreover, in the previous Olympiad in 2002, in Bled, Slovenia, both IBCA (International Braille Chess Association) and ICSC (International Committee of Silent Chess) teams took part.

This is not in accordance with our regulations and moreover it is not in the spirit of the International Olympic Committee (IOC) regulations.

This proposal is to redirect the activity of these Organisations to a separate event, which will be financially and technically supported by FIDE.

Israel Gelfer
