Annex 52

Dear Polina

Please see the minutes in Bled where they were admitted to membership subject to the payment of affiliation fee. They were never sent an invoice by EO as instructed by me. However, in Kotor we agreed that all these Bled admissions that had not paid would need to reapply for membership.

Regards

David Jarrett

Dear Polina

I suggest you let Nizar know of this correspondence.

The original decision in Bled, based on Emmanuel Omuku's submission, was before the Federation was founded!!! This makes it more important than ever that they should apply for membership in the normal way.

Regards

David Jarrett
