### 1. Organisation

**1.1.** The World Chess Championship cycle shall be organised in 2005/07 and will include the following standard events: National Championships, Zonals and Continental Championships, the World Chess Cup (128 player knock-out tournament), the World Candidates matches and the World Chess Championship Tournament.

**1.2.** Governing Body: the World Chess Federation (FIDE). For the purpose of creating the regulations, communicating with the players and negotiating with the organisers, the President has nominated a committee, hereby called the World Chess Championship Committee (WCCC).

**1.2.1.** With the exception of National Championships, Zonal Tournaments and also Continental Championships that do not serve as a qualifying event for the World Chess Championship cycle, FIDE retains all commercial and media rights, including internet.

### 2. Qualifying Events for World Cup 2005

**2.1. National Chess Championships** – National Chess Championships are the responsibility of the Federations who retain all rights in their events.

**2.2. Zonal Tournaments** – Zonals can be organised by the Continents according to their regulations that have to be approved by the FIDE Presidential Board.

**2.3. Continental Chess Championships** – The Continents, through their respective Boards and in co-operation with FIDE, shall organise Continental Chess Championships. The regulations for these events have to be approved by the FIDE Presidential Board if they are part of the qualification system of the World Chess Championship cycle.

**2.3.1.** FIDE shall guarantee a minimum total prize fund of USD 175,000 for the Continental Championships divided among the Continents, as follows:

1. Europe -	60, 000 USD
2. Americas -	40, 000 USD
3. Asia-Oceania -	40, 000 USD
4. Africa -	35, 000 USD
Total	175,000 USD

To qualify for the grant of the prize money contributed by FIDE for each Continental Championship, each Continent must show proof of additional sponsorship money it has raised for the prize fund.

FIDE shall retain 20% of the prize fund. The Continent shall receive 20% from any additional prize fund at the Continental level.

**2.3.2.** Where a Continent decides to have zonal tournaments for qualification to the World Cup, the number of zonal qualifiers shall be restricted to the approved figure by zone, as at 31st December 2000; the extra qualification places for each Continent shall be given to the Continental Championship to determine the remaining qualifiers to the World Cup.

**2.3.3.** All the Zonal qualifiers, as well as the number of players eligible by country to participate in each zonal, can participate in their Continental Championship with their full board expenses covered by the host organiser. The extra players by country as determined by each Continent shall be responsible for their expenses. This applies only in those Continents that hold Zonals and Continental Championships.

**2.3.4.** Continents must organise at least one Continental Championship before the World Cup 2005 and 2007. If the Continental Championship cannot be organised, then FIDE shall organise the Championship using the prize fund allocated to the respective Continent, without necessarily distributing prizes to the players. The Continents, in co-operation with the WCCC, will decide on the format and the maximum number of participants per country including qualifiers per country.

**2. 3. 5.** The number of qualifiers for each continent is:

Europe 46

Americas 19

Asia 19

Africa 6

**2. 3. 6.** FIDE will send one of its representatives, a member of the WCCC or a representative appointed by the committee, as an observer to ensure that the event is held in line with the World Championship regulations. He will present an independent report on the conduct of the Championship to the Presidential Board of FIDE. Traveling cost, board and lodge as well as stipend shall be paid by the organising committee of the Continental Championship.

### **3. World Cup 2005**

**3. 1. Qualifiers** – There are 128 qualifiers : World Champion + four (4) semi-finalists from the World Championship 2004 in Tripoli, Women's World Champion, World Junior U-20 Champion 2004, twenty (20) rated players as described in 3.1.2, ninety (90) players from Continental Championships, eight (8) FIDE President nominees, three (3) organiser nominees.

**3. 1. 1. Replacements** – World Champion, semi-finalists, Woman's World Champion, World Junior U-20 Champions and rated players can be replaced only from the average rating list. Continental and Zonal qualifiers will be replaced from their respective events, except that in the Zonal Tournament, the replacement must have scored 50% or more in the Zonal event. Otherwise the place passes to the Continental Championship. The average rating list has priority if a player qualifies either from the rating list or a zonal/continental event. In the exceptional case that the zonal/continental event is organized before the publishing of the January 2005 rating list, then the zonal/continental event has priority over the average rating list for qualifying purposes.

**3. 1. 2.** For the purpose of deciding the 20 rated player qualifiers, as well as any replacements, the average from the following lists will be used; rating of July 2004 plus rating of January 2005 divided by 2. In case of equality two decimals will be taken into consideration. If the numbers are still equal then the number of games from the two periods shall be decisive. That means the player with the greater number of games shall qualify. If the numbers are still equal then the April 2005 list shall be decisive. If the Elo in this list is still the same, the player with the greater number of games in this list will qualify.

**3. 1. 3.** Players who appear in the inactive list in both July 2004 and January 2005 will not be able to qualify as a rated player. If the player is inactive in one list but appears in the other, then the rating that is published shall be taken as the average.

**3. 1. 4.** The list of qualified players and the reserves will be published on the FIDE web site.

#### **3. 2. Tournament format**

**3. 2. 1** There shall be seven (7) rounds of matches, comprising two (2) games per round, with the winners progressing to the next round. From round four (4) the players will continue playing until places 1 to 16 are decided.

This is the player's responsibility.

Any participant, specified in paragraph 3.1 who fails to return his Player's Undertaking by the official deadline, may be replaced according to article 3. 1. 1. The WCCC may accept late undertakings received after the deadline within the period of 10 days. The final list shall then be published 10 days after the deadline on the FIDE web site. Players not previously qualified but who have the right to participate as replacements shall be notified through the FIDE web site and will have one further week to return their signed undertakings to FIDE.

**3. 3. 2.** All players mentioned in 3. 3. 1 shall confirm, by fax and registered mail to the FIDE Secretariat, their participation by returning the signed copy of the Players' Undertaking published on the FIDE web site for participation in the World Cup. Players shall be fully responsible for the arrival on time to the FIDE Secretariat of their signed undertaking.

**3. 3. 3.** A player who returns his undertaking but withdraws before the pairings are announced will be replaced by a player as described in 3. 1. 1.

**3. 3. 4.** Any player that withdraws after the pairings are announced shall not be replaced.

**3. 3. 5.** Players that fail to provide a satisfactory reason for withdrawal, after they have signed the player's undertaking, may be excluded from the next World Championship cycle.

**3. 3. 6.** If the World Cup and the Women's World Championship are organised at the same period (even if the two events overlap by one day) then the player who has the right to participate in both championships shall decide per 3. 3. 2 in which tournament she will play.

**3. 3. 7.** For security and administrative reasons, all participants are expected to stay in the officially designated hotel(s).

**3. 3. 8.** All players shall pay their own cost of travel, accommodation and meals for the duration of their stay.

### **3. 4. Pairings.**

**3. 4. 1.** All participants will start from Round 1.

**3. 4. 2.** For purposes of pairings the players shall be ranked according to the most recent rating list. In case of equality of two or more players, the player with the greater number of games played during the period covered by the list shall be higher seeded. In case of equal number, the order will be decided by the drawing of lots. The World Champion will be seeded number one.

**3. 4. 3.** Pairings shall follow the principle of top half vs. lower half reversed (1-128, 2-127...). Thus the highest ranked player of the top half shall play the lowest ranked player of the bottom half. The second ranked player of the top half shall play the penultimate ranked player of the bottom half. And so on.

**3. 4. 4.** For rounds 1 to 4, pairings shall follow the same procedure as in 3. 4. 3, with the clarification that if the lower ranked player wins in any match, he shall automatically assume the position of the higher ranked player.

**3. 4. 5.** For round 5 the same procedure as described above will apply for the winners of the matches in round 4. These players are playing for the places 1 to 8. For the losers of the matches in round 4, their ranking number in the round 4 will be used for the purpose of pairing. These players are playing for the places 9 to 16.

For round 6, the same procedure as described above will apply for the winners of the matches in round 5 playing for places

1 to 8. These players will play for the places 1 to 4. For the losers of the round 5 matches playing for places 1 to 8, their ranking number in the fifth round will be used for the purpose of pairing. These players will play for the places 5 to 8.

For the purpose of the pairing, the winners of the round 5 matches playing for places 9 to 16, will be ranked according to the principle described in 3.4.4. These players will play for places 9 to 12. The losers of the Round 5 matches, playing for places 13 to 16, the ranking number in round 5 will be used for the purpose of pairing in round 6.

For round 7, the same procedure as described above (for round 5 and 6) will apply also for this round, in order to obtain the final standing for places 1 to 16.

**3.4.6.** No postponement shall be allowed except with permission of the FIDE President.

### **3.5. Drawing of colours**

**3.5.1.** The draw for colours shall be conducted as follows:

- a) The top seeded player in Round 1 receives White or Black in the first game as decided by lot during the Opening Ceremony. In the second game of the same round, colours will be reversed. In match 2, the higher seeded player shall have the opposite colour to the top seeded player, and so alternating through the list.
- b) In Round 2 the winner of match 1 shall have in the first game the colour opposite to the colour that the top seeded player had in the first game of Round 1. The higher seeded player in the first game of match 2 shall have the same colour that the highest seeded player had in the first game of match 1 and thereafter with colours alternating through the list, with the clarification that if the lower ranked player wins in any match in the previous round, then he shall automatically assume the position of the higher ranked player.
- c) For Rounds 3-4 the same procedure is applicable
- d) For rounds 5 –7, the same procedure as described above will be followed, in Round 5 for players playing for places 1 to 8, in Round 6 places 1 to 4 and in Round 7 for places 1 and 2. For all other players, if the players have the same sequence of colours, there will be a drawing of lot for colours.
- e) For the tie-break matches, there shall be a drawing of lots for each match. If these matches are also drawn, there shall be a drawing of lots to decide who shall receive White in the sudden-death game.

### **3.6. Time control.**

**3.6.1.** The time control shall be 90 minutes for the first 40 moves followed by 15 minutes for the rest of the game with an addition of 30 seconds per move from move one.

**3.6.2.** The games shall be played using the electronic clocks and boards approved by FIDE.

### **3.7. Conditions of victory**

**3.7.1.** For all rounds, each match shall be played over two games and the winner of a match shall be the first player to score 1.5 or more points. A tie shall be broken according to article 3.8.

**3.7.2.** The results of rounds 4 to 7 shall decide places 1 to 16.

### **3.8. Tie breaks**

**3.8.1.** If the scores are level after the regular games, after a new drawing of colours, two tie break games shall be played. The games shall be played using the electronic clock starting with 25 minutes on the clock for each player with an addition of 10 seconds after each move.

**3.8.2.** If the scores are level after the games in paragraph 3.8.1, then, after a new drawing of colours, 2 five-minute games shall be played with the addition of 10 seconds after each move.

**3.8.3.** If the score is still level, the players shall play one decisive sudden death game. The player, who wins the drawing of lots, may choose the colour. In case of a draw the player with the black pieces qualifies for the next round, or winning the higher standing in rounds 4 to 7.

**3.8.4.** Play shall be governed by the FIDE Laws of Chess for Rapid and Blitz Games (Appendices B and C of the Laws of

Chess), except where they are overridden by the specific provisions of these regulations:

- a. Players need not record their moves. An Arbiter will record the moves (Article B3).
- b. Once a player has completed ten (10) moves, no claim can be made regarding incorrect piece placement, orientation of chessboard or clock setting. In case of reverse King and Queen placement, castling with the King is not allowed (Article B4).
- c. The player whose turn it is to move, may consult the Arbiter's score sheet, and, if his next move will produce a threefold repetition of position (according to Article 9.2a of the Laws of Chess), or the 50 moves rule (according to Article 9.3a of the Laws of Chess), he himself must write the intended move on the score sheet and claim the draw, if he wants. If the claim is found to be correct, the game is immediately ended as a draw. If the claim is found to be incorrect, the Arbiter shall add three (3) minutes to the opponent's remaining time and additionally shall deduct half of the claimant's remaining time up to a maximum of three (3) minutes.
- d. The Arbiter shall call the flag fall (Article B6).
- e. Article C3 does not apply.
- f. In the case of an illegal move the Arbiter shall interfere with the game only after a claim by the opponent and shall reinstate the position immediately before the irregularity. For the first illegal move made by a player the arbiter shall give two (2) extra minutes to the opponent. For the second illegal move by the same player the arbiter shall declare the game lost by this player.

**3. 8. 5.** The tie breaks shall start at least 2 hours after the end of the last game of the round, according to the decision of the Chief Arbiter.

# Rules & regulations for the Candidates Matches of the World Chess Championship 2007

## 1. Organisation

- 1.1** The Candidates Matches for the 2007 World Chess Championship shall be organised in 2006/07 and represent an integral part of the World Chess Championship regulations for the cycle 2005-2007. Sixteen (16) players will participate in the Candidates Matches and four (4) of them will qualify for the final tournament of the World Chess Championship 2007.
- 1.2** Governing Body: the World Chess Federation (FIDE). For the purpose of creating the regulations, communicating with the players and negotiating with the organisers, the FIDE President has nominated a committee, hereby called the World Chess Championship Committee (WCCC).
- 1.3** FIDE retains all commercial and media rights of the Candidates Matches, including internet rights.

## 2. Qualification for the Candidates Matches

- 2.1 World Chess Championship 2004** – One (1) player qualifies as the previous World Champion, that is GM R. Kasimjanov (UZB), winner of the World Chess Championship 2004.
- 2.2 Average FIDE Rating List of July 2004 & January 2005** – Five (5) players qualify by rating. These 5 players do not include World Champion V. Topalov (BUL), GM V. Anand (IND), GM P. Svidler (RUS) and GM A. Morozevich (RUS) who cannot participate in the Candidate Matches since they have already qualified for the final tournament of the World Chess Championship 2007. For the purpose of deciding the 5 rated player qualifiers, as well as any replacements, the average from the following lists will be used: rating of July 2004 plus rating of January 2005 divided by 2. In case of equality two decimals will be taken into consideration. If the numbers are still equal then the number of games from the two periods shall be decisive. That means the player with the greater number of games shall qualify. If the numbers are still equal then the April 2005 list shall be decisive. If the rating in the April 2005 list is still the same, the player with the greater number of games in this list will qualify. Players who appear in the inactive list in both July 2004 and January 2005 will not be able to qualify as a rated player. If the player is inactive in one list but appears in the other, then the single rating that is published shall be taken as the average. According to the above, the five (5) players who have the initial right to qualify for the Candidates Matches by the average rating list 07/2004 - 01/2005 are: GM G. Kasparov (RUS 2811), GM V. Kramnik (RUS 2762), GM P. Leko (HUN 2745), GM M. Adams (ENG 2739), GM J. Polgar (HUN 2728). The reserve players of this list are GM A. Shirov (ESP 2719), GM E. Bacrot (FRA 2713.50), GM V. Ivanchuk (UKR 2713), etc.
- 2.3 World Cup 2005** – Ten (10) players qualify from the World Cup 2005.
- 2.4 Replacements** – Priority of qualification criteria & replacements:
- The qualifiers for the Candidate Matches are determined with the following priority:
1. World Champion 2004.
  2. FIDE Rating (average) of July 2004 & January 2005.
  3. World Cup 2005.
- Any qualified player for the Candidates Matches can be replaced from the players placed 5-8 in the San Luis World Chess Championship 2005. If the replacement is not fulfilled, then: a) the 5 players qualifying by rating (as described in 2.2) are replaced from the average rating list, b) the previous World Champion R. Kasimjanov and the World Cup qualifiers are replaced from the 2005 World Cup.
- If a player has finally the right to qualify from both the rating list and the World Cup, he will be seeded in the Candidates Matches as a qualifier by rating. His qualifying spot from the World Cup will then pass to the next player of the World Cup, but only up to the 16<sup>th</sup> place. After the 16<sup>th</sup> place, the average rating list will be used again (as described in 2.2).
- 2.5** The list of qualified players and the reserves will be published on the FIDE website. All qualified players should sign the “letter of intent”, specifying that they are willing to participate in the Candidates Matches, and send it to the FIDE Secretariat until 31 December 2005. The “letter of intent” will be available to download from the FIDE website and it is the player’s responsibility to get a copy and send it signed to the FIDE Secretariat.
