Dear Takis,

I appreciate your positive response to Mr.Filipowicz proposal, at the same time I thank Andrzej for his work on the changes.

We have nothing against accepting Andrzej's proposal, but as I was promising our proposal in couple of days, here it is :).

Our approach was to make as little changes as possible, and not to change the overall structure of the current regulations. So for example we did not move events between groups, but just have put much heavier requirements. Arbiter has to be much more active (5 norms in 5 years) to be that often invited, and by such intensity arbiter is bound to be much more experienced and eligible to advance.

I would appreciate you comments.

Best regards,
Tomasz Sielicki
