

## WCO Proposals

### 1. WCO Proposals for Olympiad Regulations amendments (article D.01)

#### A. 2.2 – To add on the bidding form the following sentence:

All hotels which will host the Olympiad participants – teams, FIDE people, arbiters, etc. – should be specified, including their prices for accompanying people, the price for upgrading rooms from double to single, and also the specific venue of the event.

#### B. 3.2.2 – Instead of the words “at the same time” should read – “right after signing the contract (see 2.7) the President or the WCO representative or representatives will be invited to start joint preparations for the Olympiad as will be agreed between the administrator and FIDE representative(s).

#### C. 4.5.3 should read – The administrator shall provide all teams with two double rooms and two single rooms. If a team consists of 4 players only, the administrator shall provide the team with one double room and two single rooms.

### 2. WCO Proposal for World Championship Cycle regulations

All Continental Championships, being part of the World Championship, should be played under the World Championship cycle Regulations, published by FIDE for the relevant cycle.
