Foto service.

CULTURE IN ASSISI

The most outstanding sight to see is the Basilica of San Francesco, composed of two superimposed churches. the inferior and the superior, with a crypt housing the tomb of the Saint. The two churches were decorated by prominent painters of the 1200-1300 of the likes of Giotto, Cimabue, Lorenzetti and Simone de Martini. The crypt is less adorned and more dry. The remains of the saint are kept in a shrine of raw stone.

The halls of Palazzo Vallemani, a splendid baroque palace, house the Pinacoteca Comunale di Assisi: four rooms are dedicated to an exhibition about the Jews rescued in Assisi during the Nazi persecutions.

Palazzo dei Canonici hosts the Museo Diocesano; in the basements of the building it is possible to visit the remains of a Romanic

cloister and the basilic's crypt, featuring rare frescos and a Roman sarcophagus.

The MUMA (Museum of the Amazonian Indios) displays a cultural and sensorial journey across the beauty of Amazonia.

The Galleria d'Arte Contemporanea della Pro Civitate Christiana Galleria d'Arte Contemporanea della Pro Civitate Christiana gathers masterpieces of painting and sculpture on the figure of Christ.

The Palazzo Papale and the Museo del Tesoro within are the most important collection of medieval art in the region. A second part of the museum contains the Perkins collection, with more than 50 board paintings from the 14th-16th centuries.

A solitary stroll along the lanes of the city centre is a pleasant and relaxing way to discover small workshops and narrow alleys.

(GA 1996-2014) Deposit: We confirm that we shall pay the deposit fee below before conclusion of the General Assembly granting the option. We are aware that we forfeit this sum if for any reason we do not organize the event. If we do organize the event this sum will be put to the credit of our account with FIDE.

We have recognized the specific FIDE stipulation for the above-mentioned event and will observe them.

Name of International Organizer: **I.O. Cristina Pernici Rigo**
