

**Proposal to establish a Commission on FIDE's relations with IOC**

**I. Introduction**

FIDE Deputy President, Mr. Georgios Makropoulos proposes to establish a Commission on FIDE relations with the International Olympic Committee (IOC), having regard to the paramount importance of the ultimate goal to get chess to be included in the Olympic Games program.

**II. The institutional objective of the Commission**

On a long-term basis, the Commission will focus its work on achieving its ultimate aim of chess being included as an Olympic sport in the Olympic Games program.

On a medium-term basis, the Commission will focus its work on achieving the aim of chess being included in the Youth Olympic Games (YOG) of the IOC.

**III. Structure of the Commission**

The Commission shall consist of five (5) members. The Chairperson of the Commission shall be appointed by the FIDE President. The Chairperson shall thereafter appoint the Secretary and the three (3) members of the Commission, whose appointment shall be approved by the FIDE President.
